- V. Reports**
 - a. Visit from Governor:** Governor Hickenlooper is tentatively scheduled to visit our area on Wednesday, April 27 to formally recognize the section of land from the state of Colorado that is being deeded to Sand Creek. Roberts wanted to see if the commission would like to be involved and will keep the commission notified of scheduling.
- VI. Unfinished Business**
 - a. Follow up from Mark Rodman – Tax Credits and Main Street Program:** Mark Rodman sent his powerpoint presentation as well as information about the tax credit program. Richards suggested passing along tax credit information to the county assessor. Roberts noted that a training or program about tax credits may interest community members as well as commissioners. She will speak to the commissioners about tax credits and see if they are interested in a training. Rodman also emailed Shay Coburn, Main Street Coordinator for DoLA, and Tim Stroh, Main Street Architect, suggesting that Eads would be “an excellent addition to the Main Street Program.”
 - b. CLG Grant:** The CLG Grant is progressing on schedule. Jimmy Brown is working on finalizing design for the plaque and is also investigating installation options.
- VII. New Business**
 - a. National Register Amendment for the Sand Creek Massacre Site:** Due to the state section that has been conveyed to Sand Creek, the National Register nomination has to be amended. History Colorado is amending the nomination and will send the KCHPC; the commission will need to review and approve it once it’s received.
- VIII. Public Forum:** none
- IX. Announcements:** none
